S-ANDARD FORM NO. 64

Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Intelligence School

DATE: 21 December 1960

FROM : Chief, Orientation Faculty

SUBJECT: Weekly Activities Report #45, 14 - 20 December 1960

1. Intelligence Orientation

25X1A9a

An analysis of the student reaction to the review questions and lecture summaries used in the last Intelligence Orientation course has been completed by ███████ Comments were favorable on both these teaching aids.

2. JOT Program

25X1A9a

a. Plans have been completed for the initial two-day orientation for the JOT's on 3 & 4 January. The program will consist of lectures by Messrs. ████████████████████████ seminars for the presentation and discussion of basic material, review exercises, and a small exhibit of DD/I publications.

25X1A9a

b. Staff members met with ████████████████ to discuss ways of introducing additional orientation material into the Intelligence Production phase of the JOT course. The Intelligence Production faculty plans to utilize certain of the IO materials prepared for reading or correspondence use.

3. Intelligence Review

25X1A9a
25X1A9a

Mr. █████ discussed the presentation of the next Intelligence Review with Mr. ████████ of the DD/I's office, who said that an analysis of the program had not been completed by his office, but that comments were most favorable. He indicated that the DD/I might recommend an increase in the length of the course.

4. Intelligence Products Exhibit

25X1A

Arrangements have been made with Chief, SIC, to move the JOT students to the ████ auditorium on the morning of 12 January so that the Intelligence Products Exhibit may be shown in the auditorium. This move will enable both the IO students and the JOT's, as well as the USIB visitors, to see the exhibit.

5. Other Activities

25X1A9a

a. Col. ███████ completed the Operational Photography Course on 19 December.

25X1A9a

b. Messrs. ███████████ previewed the new SIS film on Africa on 15 December. The film appeared to be too elementary for experienced intelligence officers such as those who would enroll in the Intelligence Review Course.
